The Heart of the Home

Beyond the dining area, the space continues seamlessly into the functional kitchen. Complete with fitted wall and base units, wooden work surfaces with a tiled surround, and an integrated oven and hob, it offers everything needed to prepare your favourite dishes in a practical yet welcoming setting.

Just beyond the kitchen, a useful lobby area provides space for a washing machine and fridge/freezer, keeping appliances neatly tucked away. The ground floor is completed by a spacious bathroom suite – a comfortable and practical space for both morning routines and relaxing evening wind-downs.

A Warm Welcome

Full of charm and wonderful kerb appeal, this beautiful home welcomes you along a footpath to the front door and into a bright and spacious living area. At the front of the home, the bay-fronted lounge provides an inviting place to relax, centred around a striking feature wood burner – the perfect setting for cosy evenings and movie nights.

The living space flows effortlessly into a generous formal dining area, ideal for gathering with family and friends over a home-cooked meal. A convenient door from here leads directly out to the rear garden, helping to bring the outside in and creating a lovely connection between indoor and outdoor living.

Rest & Retreat

Upstairs, the main bedroom sits at the front of the home and is wonderfully bright, with two large windows allowing natural light to pour into the space. Just behind, the second well-proportioned bedroom overlooks the rear garden and offers fantastic versatility – perfect as a guest room, nursery, or a peaceful home office depending on your lifestyle needs.

Outdoor Living

To the rear, the home enjoys a lovely garden ready to be shaped into your own tranquil retreat. Whether it's summer barbecues with family and friends, a morning coffee in the sunshine, or a quiet spot to unwind at the end of the day, it's a space with plenty of potential to enjoy throughout the warmer months.

Note From Owner...

We have loved living in this house and in Leytonstone generally. We particularly loved having friends over for barbecues in the sizeable garden, which attracts an abundance of birds and is a lovely peaceful retreat from day-to-day work life in central London.

The proximity to Epping Forest and Wanstead Flats has been fantastic for walks with our dog and really differentiates this area from others (whilst also being 15 minutes on the tube into central London).

The wood burning stove which we installed is a brilliant addition for cozy nights in the winter (something which our dog Lemmy also can't get enough of!).
